

Proposed OR-OSHA Rule concerning labor housing near livestock operations:

([i]h) Do not locate labor housing within 500 feet of livestock operations unless the employees in the housing are employed to tend or otherwise work with the animals. **Beginning January 1, 2026, labor housing cannot be located within 500 feet of livestock operations regardless of what employees in the housing are employed for or their assigned work duties.**

(FULL rule attached and here: <https://osha.oregon.gov/OSHArules/proposed/2024/text-chngs-ALH-437-004-1120-and-437-002-0142.pdf>).
