Timeline of IP 28:

February 26th IP 28 officially filed as a prospective petition with the Secretary of State.

July 2nd Verification process: the Secretary of State verifies the 142,784 collected signatures to see if 117,173 valid signature threshold qualifying IP 28 for the November ballot is met.

July 27th Financial Estimate Committee (FEC) announces the estimated financial impact for IP 28 if it were to pass. This will be included in the Voter Guide and on the Ballot.

August 2nd Deadline for Secretary of State to announce status of collected signatures, determining IP 28's position on the November Ballot.
